

Submitter: Scotty Fenters

On Behalf Of:

Committee: House Committee On Rules

Measure: SCR3

I am writing to support SCR 3. I am a fourth generation Oregon potato farmer and think the potato is a great choice for the state vegetable. The potatoes we raise are shipped all over the US as well as some other countries. This will be a valuable marketing opportunity to help increase the value of Oregon's number one vegetable. The potato is a large part of our rural economies and its recognition as our state vegetable would be appreciated.
