

Submitter: Alex Hardison

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB2659

Oregonians are overwhelmingly ready for Climate-Friendly & Equitable Communities. Climate change is here and the time for tangible action is now. The CFEC framework will prioritize climate solutions, housing supply and affordability, transportation options, and equitable outcomes in how cities are planned, built, and funded. Please do not move HB 2659 forward.
