

Submitter: Peter Gladhart

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB2659

Please do not move this bill forward. We need Climate Friendly and Equitable communities now! This bill negates and delays a program that the state needs. Only a fossil fuel producer or someone who was asleep during Oregon's fire seasons of the past three years could have reason to support this bill!
