Committee: House Committee On Rules

Measure: SCR3

I am writing to support SCR 3, which would designate the potato as the official vegetable of Oregon. Rob and I farm in Eastern Oregon and are privileged to raise Potatoes. We live in Nyssa Oregon, Malheur County. Potatoes are grown through out the state. Oregon grows a fantastic crop of potatoes. There are process potatoes, dehydrated potatoes, chip potatoes, and fresh potatoes. We have raised 5 children and have raised lots of Potatoes for 39 years. We raise process potatoes. Potatoes are full of nutrients. They are good for you. Everyone loves potatoes! They are the number 1 selling vegetable in the State of Oregon. Please support us in our request for the Potato to be Oregon's state vegetable.

Thank You,

Rob & Kim Wagstaff
