

Submitter: Richard Recht

On Behalf Of: Homeowners Assn

Committee: Joint Committee On Ways and Means Subcommittee On General Government

Measure: HB5035

Our HOA is apparently double listed and we must register (and pay a fee) twice each year. Over the past four years we have stayed on the phone for an hour, e-mailed and written and never received a reply. I feel sorry for those who cannot resolve their problem by simply double paying a small fee. If this bill will help fix this situation, please pass it.
