

Submitter: Wayne Wheeler

On Behalf  
Of:

Committee: Joint Committee On Ways and Means Subcommittee On General  
Government

Measure: HB5035

I've never had a problem renewing my LLC registration using the existing system. Notification comes out in a timely manner and payment is easy. Only "problem" is the helpful scammers who will renew for you for a fee. We don't need to use tax dollars here to make things better or easier for us. Thank you.
