

Submitter: Sunny Kakwani

On Behalf
Of:

Committee: Joint Committee On Ways and Means Subcommittee On General
Government

Measure: HB5035

I agree with Ms. Eloisa Miller's position that Oregon State Legislature approves investments in a new vision for the Division so that it operates at the speed of business; one where technology and automation allow us to access information from anywhere using a cellphone or laptop and faster response times through online, or on-demand access to the services.
