Committee: Joint Committee On Ways and Means Subcommittee On General
Government

Measure: HB5035

I strongly urge you to approve HB 5035.

I just tried to call the Corporate Business Division and was called 44!

Now mind you it was 1:09 pm. They had just gotten back from lunch (close 12 to 1)
so just how many hours have people been waiting on the phone?

This isn't just today but everyday. I've been trying for two weeks and can't get
through.

Fix it by approving this bill.

Thank you, Dan Drayton Lincoln City.
