

Submitter: Tom Wille

On Behalf
Of: Myself

Committee: Joint Committee On Ways and Means Subcommittee On General
Government

Measure: HB5035

I received an email from Eloisa Miller asked me to tell you to approve her budget because she has a new vision for her department. Before I do that I would like to know what her current budget is and what does it go for? And I would like to know how much she is requesting and what will it go for?

Thank you.
