RE: Support for House Bill 3160A

Chair Sollman, Vice Chair Findley and members of the committee,

Thank you for the opportunity to provide testimony in support of House Bill 3160A. This bill aims to improve and modernize many of the Public Utility Commission of Oregon's practices.

PacifiCorp serves about 620,000 customers as Pacific Power across Oregon and is the state's largest rural electricity provider. We find the improvements and modernizations contained in House Bill 3160A to be welcome updates that will further the Public Utility Commission of Oregon's mission. The bill is a good approach to statutory cleanup and aligns with current business practices.

We urge your support of the bill.

Sincerely,

Annette Price
