Committee: Joint Committee On Transportation  
Measure: HB3113

Dear Members of the Joint Committee on Transportation,

I am writing today to urge your support for HB 3113, the Great Streets Bill.

Transforming Oregon's Highways for safer walking, biking and transit is vitally important to residents and business owners alike. The use of alternative modes of transportation is an important step in creating a safer community. By enabling safer non-car transportation options, we can help to reduce the number of traffic accidents and injuries and improve the quality of life for residents and visitors. In addition, these alternatives can also help to reduce traffic congestion and pollution. Making transportation safer is a key priority that clearly needs attention and we believe these investments will make our city a more livable and enjoyable place for everyone.

Thank you for your support for HB 3113.

Sincerely,  
Helen Hitt
