Committee: Senate Committee On Finance and Revenue

Measure: SB976

I am a homeowner who benefits from this inequitable tax break, and I firmly believe that I do not deserve this benefit. It's unfortunate that the state has spent this long subsidizing home ownership for those with the most resources in our state, while thousands of Oregonians cannot afford a single home of their own. Please reverse this unneeded tax break and use the resources to solve our housing crisis.
