

Submitter: Regina Purtzer

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: HB3042

NO NO NO

Stay away from our rental market!!!!

People can't afford rent because you are meddling with it. People are bad renters because they don't work because they don't have to!!!!!!

Your regulations are making a nightmare out of rentals!!! It will become a bad investment and there will be no rentals!!!!!!

Stop regulating Oregonians!!!!
