On Behalf Of:

Committee: Senate Committee On Education

Measure: HB2669

Catchline/Summary:

Declares children who are deaf, hard of hearing or deaf-blind have same rights and potential as children who are not deaf, hard of hearing or deaf-blind.

My support is based upon the following,

Do not exclude those children with vision loss or blind; from the same support given to those with hearing loss or deaf.

Respectfully,
Tim Cowan
