Committee: House Committee On Revenue  
Measure: HB3221

Dear chair Nathanson, Vice-Chairs Walters and Reschke, and Members of the House Committee on Revenue. My name is Sloane Sally. I am an 8th grader at Roseway Heights Middle School. I'm writing to urge you to support HB 3221. My school could regularly use more funds. Teachers struggle to find materials throughout the school year. We seem to never have binders, folders and pencils. There is not even enough money to fix the stall doors in the bathrooms. Our teachers are amazing and are working so hard for the students. We could really use more teachers to help meet student needs. Thank you for your time, please support this bill.
