

Submitter: JOHN BURT

On Behalf Of: Farmers Ending Hunger

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: SB479

Farmers Ending Hunger is pleased to lend its support to SB 479. There is an extreme shortage of animal processing facilities in Oregon. Our efforts to have more meat animals donated through us to the Oregon Food Bank Network are made that much harder because of this. Anything that can be done to improve access, inspection and ultimately make more meat products available is greatly encouraged and supported.
