Water

Measure: SB507

My name is Lynn Thompson. My husband and I own and operate a small blueberry farm just outside of Corvallis and have been selling blueberries from our farmstand for almost 30 years.

I am writing in support of SB 507 A, which would expand Oregon's Farm Direct Marketing Law. The changes to this law would allow for greater flexibility and increased sales without compromising food safety. As we look toward transitioning our farm to the next generation, these proposed changes have increased importance for us personally.

I urge your support for SB 507 A. Thank you for your time and consideration.
