

Submitter: Sarah Greco

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Having drug addicts living in the streets creates a dangerous environment for everyone. People are put in danger everyday when forced to live side by side with desperate drug addicts. While I try to be empathetic to everyone, it is simply unacceptable to allow violent, unpredictable addicts to take over every empty spot on the sidewalk with little to no consequence for any of their intimidating and illegal behavior.
