

Submitter: Marlene Pickens

On Behalf Of:

Committee: Joint Committee On Ways and Means

Measure: SB5506

My name is Marlene P, and my message just disappeared. I hope it still in your view. I strongly oppose this extra funding and calling for an emergency,

I am also most angry about HB 2002, and wish to demand no fundeing for such a damaging bill to the family.

Thank you for coming to our county. oUR FARMERS NEED HELP WITH the wolf problem here.
