Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is a horrible idea. We must stop allowing "camping" in our cities. Take away the tents, lock up the people who are defiant. "Camping (or resting, if that's what you want to call it) is not a solution. This falls far too short of need. Helps nobody.

Raise taxes on the wealthy and use those monies to provide housing and treatment for mental illness and substance abuse. We must do this.
