

Submitter: Stephanie Kress

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Public places are supposed to be shared spaces. They are for everyone. When homeless people set up a camp in a public place, it becomes THEIR space and is no longer available for use by the public. No one else has the "right" to claim public space in this manner and neither should they. Please keep our public places shared spaces by voting NO on this proposal.
