

Submitter: David P

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This will slow down the courts which already are soft on crime. We can not allow this bill to pass it will make the problem much worse. We do not have the mental health resources or social service resources to support the houseless in the state and we can not pass a bill assuming those resources will exist. Allowing this to pass is complete anarchy and destruction of law and order.
