On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I'm a Multnomah county resident, homeowner and tax payer. Due to decriminalization of drugs and existing camping on our public streets and parks our city has become unmanageable. This is detrimental to Portlands economy. Please stop allowing those who do not work or contribute to line our good streets with litter, drugs and human waste. Please prevent this measure from passing.
