

Submitter: Cynthia Giacomini  
On Behalf Of: Right to Life Bend  
Committee: Senate Committee On Rules  
Measure: SJR33

I oppose SJR 33

because as a state it overrides all federal decisions already made to allow individuals to abort their preconceived future generations at any stage of its innocent primary development unbeknownst to other family members or the society at large—who could aid such individuals to facilitate care, future support, and continuation of the human species at large.
