Committee: House Committee On Housing and Homelessness

Measure: HB3501

I moved my family across the country a year ago, from Ohio to Portland. If this bill has existed, we would have never taken residence here. Where there are homeless camps, it is unsafe to bring children. The violence and drug-induced psychosis are real and traumatizing to everyone around it.

We see it every day near my son's preschool in Woodstock, Portland. The idea of legitimizing that threatening and anti-social behavior is disturbing and deeply immoral.
