Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is one of the worst Ideas I have seen in Oregon. With the recent fires in abandon buildings, dog attacks, attacks on children and the elderly at MAX stations this bill wants to guarantee more of this from campers. The homeless need mental health services, safe places to live. Our communities can not tolerate more camping by the homeless on public land! Do not vote for this folly of a bill!
