

Submitter: Patsy Leavitt
On Behalf Of: TVCC Small Business Dev Center
Committee: Joint Committee On Ways and Means
Measure: SB5506

Nazrat Promotions has been a part of the Small Business Development Center since 2009. During this time we have worked closely with the SBDC advisors and have found their counseling and advice to be a valuable asset to our small business. Our rural community is limited in resources and the small businesses here definitely prosper from the assistance of the SBDC, which in turn enriches the local community and helps both established and new businesses flourish.
