

Submitter: Emiley Oster

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please do not advance this bill. It is not humane and will only further worsen the drug, mental illness and safety issues impacting our city. I have lived in NE Portland my entire life, and this is the first time I have ever felt un-safe in my own city. I have compassion for the homeless, but this isn't the way to help.
