

Submitter: Mary Chalkiopoulos

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: HB2804

I OPPOSE HB 2804.

This is just another excuse to create another layer of jobs for bureaucrats. Every business owner/manager assesses workforce needs as a part of their job. We don't need development and application of some convoluted workforce model which will cost the taxpayer for something that should be happening already. If your managers are not properly conducting this function, then perhaps they are misplaced in these positions.
