

Submitter: Joe B

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is an absurd plan to kick the can further down the road. You have no constitutional right to allow privatization of public lands. All this will do is cost the public more money, and increase the crisis we have on our streets. Your delusional idea of compassion will accomplish the exact opposite effect. Solving these problems requires real leadership not virtue signaling.
