

Submitter: Christopher Ponte

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

The two RVs and multiple associated cars that have been parked outside of my home for the last 7 months leak so much oil and fluids that I can smell them while inside my house. This is 7 months of these specific RVs; it used to be that folks would move after a few weeks. They no longer move on. This is unsustainable.
