

Submitter: Sean Dunn

On Behalf Of: Self

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I'm strongly frustrated with the Oregon Governments approach to homelessness. The appropriate response would be to institutionalize those with mental issues and drug abuse from terrorizing their community with their anti-social actions, which includes public camping.

Now, the government seems to team up with ambulance chasers to make citizens already once-victimized by anti-social elements, twice victimized by the courts.

No. No on HB 3501.
