

Submitter: Brandon Bernhardt

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Public land belongs to the public and should not be used to establish private residency for anyone. Resources should be spent directing people experiencing homelessness to nearby shelters and safe sleep spaces rather than allowing free camping on public land. A laissez-faire attitude toward homelessness is inhumane, while disregarding the rights of the general public to clean and safe public lands.
