Measure: HB3501

I am opposed to this measure in every way. The state of Oregon needs to get a handle on this, that will not happen by enabling the homeless.

I suggest a model based on the WPA farm at Edgefield. Provide a place to stay and work to earn your keep. no drugs or alcohol allowed.

If those rules are not followed, place them in jail or a penal farm.

Repeal of measure 110 is necessary also. there has to be consequences for people to want to change.

I am in favor of a ban on all unsanctioned camping .

Look at what happened at the Medford public library, all good intentions are taken advantage of. the hopeless drug addicts have no decency and deserve nothing unless they earn it
