Measure: HB3501

This is just wrong. I/we pay taxes and the homeless, while in need of services, under this bill will be able to camp anywhere? Absolutely ludicrous. If this passes then I / we should be able to opt out of paying taxes. By paying my part of taxes then I should expect clean areas without people camping in public spaces. If they want, or need to camp, then pick up all your trash, use restrooms, don't expect handouts. This bill should be presented to the voting public. The presenter of this bill is out of their mind.
