

Submitter: NO To This Bill

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

As a taxpayer and resident of this city, I strongly oppose this bill. How are we to help improve homelessness and clean up our city when this bill allows a free for all to camp any where and everywhere. This bill is going backwards and not forwards! We want to help our homeless to give them a hand up and not infinite handouts!
