

**Dear Senators,**

**Do Not Pass SJR 33**

**Please, stop and think before you pass SJR 33.** These are precious unborn babies that you will be killing from conception to birth. Someday you will be held accountable for eliminating them in our God given country in the land of the United States of America. You have no right to vote and eliminate a life that is not your own. I am sure you are thankful that you have a life to live, but you now think you have the power and right to take another, how sad, sick and disgusting. None of you who are going to vote just appeared out of nowhere. The Lord allowed each of you to be born to a father and mother no matter the circumstances.

**In the Bible it says...For You formed my inward parts; You covered me in my mother's womb. I will praise You, for I am fearfully and wonderfully made. Psalm 139: 13.14**

**But Jesus said, "Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven." Matthew 18: 3,4**

**Let the little children come to Me, and do not forbid them for of such is the kingdom of God. Assuredly, I say to you, whoever does not receive the kingdom of God as a little child will by no means enter it. Luke 18: 16,17**

There are other options for a baby brought into this world. If a mother thinks she cannot care for her baby she can seek help through [First-Image.org](http://First-Image.org) to receive help and support. There are many families who would like to adopt a baby. My husband and I were one of those families who adopted two babies 40+ years ago when circumstances arose after our first child was born and I was unable to conceive again.

Again, stop and think before you sign something you will regret.

God Bless and prayers to all of you,

Karen
