Measure: SJR33

In 2018 more African American babies were killed by abortion in New York than were born. There is a word for this in the English language: GENOCIDE.

SJR 33 seeks to amend the Oregon State Constitution to include abortion as a right. This would effectively enshrine state-funded abortion for any reason up to the moment of birth in our constitution.

50% of babies are women. When is it OK to kill women?

May God have mercy on us!
