Committee: House Committee On Housing and Homelessness

Measure: HB3501

I just heard the report on this subject on Good Morning Central Oregon. I really can not believe that this is even being considered! The very next subject to be reported was the restrictions on placing political signs on public property. How on earth could that NOT be allowed but having grocery cards loaded with 'who knows what' and make-shift beds and unlimited garbage bags full of 'who knows what' be allowed, for unlimited amounts of time, on public property? You've GOT TO BE KIDDING ME!!!
