

Submitter: Heather Waldram

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This measure is the absolute wrong way to go about giving our house less members of our community dignity. It would be irresponsible for the environment, public health and safety for all our inhabitants. Please do not vote this in to place and work harder to think through a better way to steward us to longer term solutions to improve.

“We do not inherit this earth from our ancestors but borrow it from our children.”
