Measure: HB3501

You must be kidding. Our small town of Molalla has become a dump due to the homeless overtaking all our parks, sports fields etc. Children can't even play in the parks or families can't enjoy a picnic. The homeless defecate everywhere, leave their needles and drugs for children to find, even take over the play equipment. They don't bother or care to clean up after themselves. What a biohazard having urine and poop all over town. It seems they are getting more rights than any other citizen in our small town. Also, the homeless steal and roam around on people's private property. What laws do you have to protect the Molalla residents. We have rights too. Our rights are being ignored. Stop this bill!!!!!!
