Measure: HB3501

I vehemently oppose the 'right to rest.' Tax dollars pay for public lands - and at this point in time, we cannot access them due to the unsanitary, disgusting and vile conditions that exist. My family will not even go into Portland any longer because of the trash heap it has become due to camping everywhere. And the suburbs are quickly catching up. Do not allow this to happen. It will drive even more people out of the state. The visitation numbers are low - and it is because of this. This is an absolute travesty of our tax dollars at work, and allowing our beautiful state to become a trash heap.
