

Submitter: Bobby Crawford

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is a terrible idea. Portland is a complete mess. The homeless individuals that choose to be on drugs and not participate in society are trashing this state and its beautiful scenery. If this passes, the entire state will be open to land claims and filth. My wife and I happily live in Hillsboro, but will be moving out of state if this happens.
