On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am a law, abiding Citizen that has worked hard to get through college, pay my bills on time, and be a positive functioning citizen in the state of Oregon. How can you give rights to homeless individuals to where they can park on my property? Where are our rights? We are the taxpayers!! This will only drive more Oregonians away from Oregon thereby decreasing state revenue. This needs to be seriously reconsidered!!
