

Submitter: Donna Munsey

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I strongly oppose HB 3501. In my area of East Portland, roadside tents are numerous. Many of the campers are drug users and need treatment, not enablement. In my own personal experience with substance abuse and rehab, if I hadn't sought treatment I wouldn't be alive today. HB3501 will not save lives, but will contribute to hastening OD deaths.
