

Submitter: Tiffany Lloyd

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill obviously takes away the rights of property owners to decide who is on their property. This could pose safety risks to their children, family, pets, and belongings. Why should we be penalized for telling someone to leave our property? This is absolutely insane. It would also make the job of law enforcement officers so much more complex, and possibly more dangerous. Please vote no on this bizarre bill.
