

Submitter: Shelley Biren

On Behalf Of: self

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I OPPOSE this bill from it becoming law. This is not a solution to homelessness, this will continue to support camping in our public spaces, further deteriorating our city. We already have issues with garbage, drug paraphernalia, and people defecating on the streets, this would make it legal for non-taxpayers to stay in one place for perpetuity. This will make our homeless problem worst.

Thank you!
