

Submitter: Stephen Tang

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose HB3501. The incentives are wrong and I believe that public spaces are for all members of the public to use, not a specific subsegment of the population who have no incentive to leave it clean and usable for others. Residents, families and visitors are afraid to use these public spaces as it currently stands. This bill will not address this problem.
