

Submitter: Wendy Gibson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

The tent communities and open air drug market have only gotten worse over the last few years. We don't need the added stress and worry about homeless "camping" being allowed in our parks, near our schools, in our neighborhoods. Government needs to step in and do something to put an end to the growing homeless problem, not wash your hands of it, putting the burden on taxpayers and citizens! We must be allowed some recourse!
