

Submitter: Kenneth Magnan

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SJR33

I oppose SJR 33. It denies a basic civil right to life. Taking the life of an innocent person should not be considered to be a right. It is wrong to kill. Period. Stop this action of hatred toward mother and child. It will destroy our society's morals and ethics to continue to treat human life as nothing.

Sincerely,  
Ken Magnan
